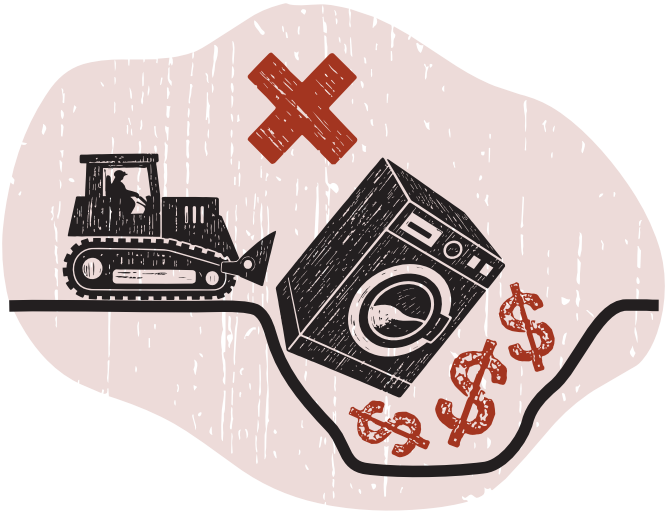
LET'S MAKE REPAIR THE EASY CHOICE



Repair saves us **MONEY**
Repair grows our local **ECONOMY**
Repair builds practical **SKILLS**
Repair creates **RESILIENCE**
Repair is our **CULTURE**
Repair restores **MANA**
Repair connects **PEOPLE** & **THINGS**

✖ **REPLACING** broken things does not fix them – they are dumped in landfill or recycled.

✖ **RECYCLING** reclaims very little material – only a tiny step better than landfill.

IN A REPAIRABLE FUTURE

REPAIR NETWORK AOTEAROA

- Legislation requires businesses to make repairs easier
- Manufacturers strive to make repairable products
- Refurbished products are sold alongside new products
- Community activities support repair
- People are empowered to repair their broken things
- A thriving repair economy makes it easy to access skilled repairers
